First Chapter	iii
0.1 Second section	iv

First Chapter

This will be an empty chapter

$$\textit{assign3/qn2/potential.eps} \sum_{i=0}^{\infty} a_i x^i \quad (1)$$

The equation 1 shows a sum that is divergent. This formula will be latter used in the page iv.

0.1 Second section

Here the file name is highlighted but we cannot open it by clicking it.
